MCC to Host Workforce and Industry Partnership Summit

MILES CITY, MONTANA: Miles Community College will host a Workforce and Industry Partnership Summit on Monday, October 19, from 4:30 to 6:00 p.m. on the MCC campus.

The summit will bring MCC representatives and regional employers together for a collaborative conversation focused on strengthening the workforce and supporting economic growth across the region. Attendees will have an opportunity to share their perspectives, build connections, and help shape future training, courses, and academic programs that prepare students and employees for success in evolving industries.

Discussion during the event will focus on current and future workforce needs, opportunities for partnerships between MCC and area employers, and ways the college can continue supporting regional workforce and economic development initiatives.

Participants will have the opportunity to:

- Provide input on current and future MCC training and academic programs
- Discuss current and emerging workforce needs
- Support regional workforce and economic growth initiatives
- Network with business and industry leaders
- Explore potential partnership opportunities with MCC

Dinner will be provided for all attendees.

Those planning to attend are asked to RSVP with their name and organization by emailing partnerships@milescc.edu.

For more information, contact Vice President of Academic Affairs Dr. Dimitria Harding at 406-874-6164 or hardingd@milescc.edu, or MCC Workforce Development Coordinator Elizabeth Smith at 406-874-6168 or smithe@milescc.edu.
